CAMSHADES VIDEO CAM SUNGLASSES \$199.00

These aren't your father's sunglasses. Now you can record live video and audio with a pair of sunglasses. That's right...this "hands free" video camera takes excellent high resolution video...anytime, anywhere. The built-in DVR has 4 GB of memory (which translates to 4 hours of video). You can even take still pics and listen to music with the built in MP3 player.
